EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

IN THE CLAIMS:

In claim 3, line 1, the term "wherein" was deleted and replaced with --further-- to correct an obvious informality and to use less awkward claim language.

In claim 4, line 1, the term "4" was deleted and replaced with --3-- to correct an obvious informality and correct the claim dependency. Applicant inadvertently made claim 4 dependent upon itself, which appears to be a typographical error. From the context of the claim language of claims 3 and 4, it appears that applicant intended for claim 4 to further limit the language of claim 3.

2. The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach or fairly suggest an aligning apparatus for a printing unit comprising all of the structure as recited, in combination with and particularly including, having a base plate and at least one support plate

rotatably mounted on the base plate and having a spherical recess, in combination with at least one horizontal screw for adjusting the horizontal position of the support plate with respect to the base plate and at least one vertical screw for adjusting the vertical position of the printing unit, the vertical screw having a spherical end rotatably mounted in the spherical recess.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to **Leslie J. Evanisko** whose telephone number is **(571) 272-2161**. The examiner can normally be reached on M-Th 7:30 am-6:00 pm.
